Sir:

I, Stephen C. Macevicz, declare the following:

I represent ACLARA Biosciences, Inc., a Delaware corporation, owner of the above identified application before the U.S. Patent and Trademark Office in all matters relating to patents.

Attached hereto is a 3.5 inch diskette containing an ASCII text file of the "Sequence Listing" section of the above-identified patent application, as amended (if appropriate). An identical copy of said "Sequence Listing" shall be reproduced whenever said text file is printed out using the print command of the operating system indicated on the label of the diskette.

I further declare that all statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,

Stephen C. Macevicz
